

# Inspires Inquiry

Inquiry is about learning something new – *are you curious?*

## What will I Discover?

Activities that will allow you to learn new skills, ideas, and knowledge.

## What will I Explore?

Topics that interest you and allow you to follow your passion and interests.

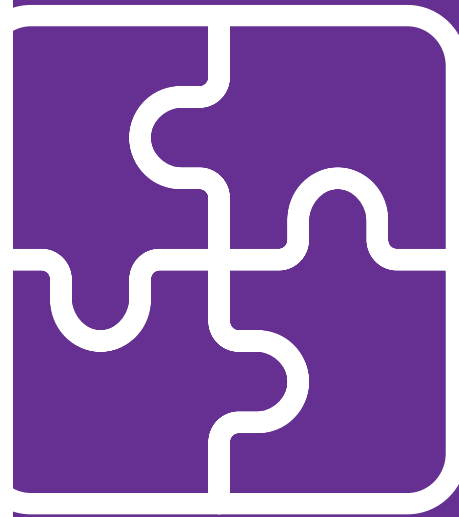

## What will I create?

Projects that are innovative, inventive, and improve existing ideas.

## What will I solve?

Problems you can design and create improved solutions.

## What choice do I have?

Create ideas and solutions that use talents, hobbies, and curiosities for the things you love to do.

## How can I make an impact?

Applying what you learn to improve our world by being creative and solving problems.
