

VOLUNTEER WITH *FIRST*®

Inspire young people to be drivers of positive change and use science and technology as a force for good in the world.

As a *FIRST*® volunteer, you are part of a global community supporting *FIRST* youth in developing their skills and building tomorrow. Together, we're inspiring the next generation of innovators and technology leaders and impacting over 660,000 youth around the world each year.

Whatever your expertise, *FIRST* has a volunteer opportunity for you. Whether you have a few weekend hours, the desire to mentor a team for a season, or want to work behind the scenes to help *FIRST* grow, opportunities abound for people who want to give back – helping to change lives, change our culture, and change the future.

BE A COACH OR MENTOR:

- Share your skills and knowledge with students.
- Nurture and grow your own skill set and career development.
- Develop meaningful relationships with young people.

VOLUNTEER AT AN EVENT:

- Wide variety of fun technical and non-technical roles available.
- Create friends, network, and become a part of the *FIRST* community
